

Ryedale Woodturners

News Bulletin 21, 29 May 2022

Hello all

Club night, Thursday 2 June 2022.

Peter Howells will be demonstrating how to make a pierced vase that has thin walls (around 5mm) and is turned on 4 axes. Similar to the photo attached.

Martyn will be videoing the event and we will attempt once again to broadcast it via Zoom, hopefully with sound this time. The link for tuning in via Zoom is

<https://us06web.zoom.us/j/82351418577?pwd=Wnc4dEJ1UDVWYmZCVnlvMDZPMDhhZz09>

Meeting ID: 823 5141 8577

Passcode: 127361

I am on holiday so sadly will not be at the event. I doubt if I can Zoom in as I will be on a ferry from Aberdeen to Lerwick, but there may well be a signal. Normal service should take place in the village hall however, with doors opening to members and guests from 7.00pm, for a 7.30 start to the demonstration. There will be refreshments and a raffle as usual, with prizes to include a bowl blank and a spindle blank, a free entry pass (for a future meeting), some Rhyno 120 & 180 grit abrasive, and a candle-sconce kit .

Hopefully there will be some wood blanks for sale, if I can get these to Phil Coe without overburdening him with things to bring. There will also be 5 copies of the latest AWGB Revolutions magazine (June 2022) – free to club members, first come first served. Please read and return for recirculating.

Thornton le Dale Jubilee Fair, Saturday 4 June, 10 – 4pm.

Remember if you have any items that you would like to sell at the Thornton le Dale Jubilee Fair, bring them along on Thursday evening to pass to Steve Ellis. Smaller items or one or two larger one would be the order of the day. And any support for Steve on the day (Saturday 4 June) I am sure he would appreciate. If you are looking for something to do on the Saturday, as well as attending the fair and helping Steve, there are other activities going on in the village, including barbeques at the pubs.

Thornton le Dale Show Wednesday 3 August

An update on the gazebo / marquee situation. I have agreed an increased pitch size at the show, which will allow us to use just one marquee, 14' x 32'6", kindly offered by Bob Ingram. Many thanks to Geoff and Phill for offers of gazebos, but it looks like we will not need them on this occasion. We still need the tables though Geoff.

Bulletin 5 June 2022.

Despite my absence next week there will be a bulletin, with guest editor Geoff Walker standing in with some updates.

Gallery additions

Martyn Weller sent two photos of the wavy segmented bowl he started at the last demonstration. He had cut the rings at an angle during the demonstration, ready for gluing together. Photos attached.

And a fairly standard 9" diameter oak bowl from myself, created in memory of Betty Blythe, to be presented by the WI at the Thornton le Dale Show.

Club members - please keep sending photos of your work to share with others.
