

Ryedale Woodturners

News Bulletin 33 21 August 2022

Hello all

Lathe for sale

Club member Bob Edwards has a midi lathe for sale. He is looking to upgrade in the future.

"I have a Record DL320 lathe for sale. I have replaced the motor and switch box and its basically just like a new machine... New the list price is £660. I would accept £400 or nearest offer. Members can call me to organise a viewing."

This is a nice, solid lathe with electronic variable speed capable of turning a 12" bowl, and a 20" spindle. M33.

Power tools for sale

There are also some power tools for sale which have been donated to the club.

Freud Biscuit Jointer. Little used, good condition, with biscuits. £20

Black and Decker corded drill BD154R £10

X-Treme SDS drill (Slotted Drive System). £20

Wickes cordless circular saw, with battery and charger £20

I will bring them to the next meeting, but if you are interested and want to get ahead of the pack email me on info@ryedalewoodturners.org.uk . First come first served.

Watching meetings on Zoom

We are continuing to broadcast meetings on Zoom at least for the foreseeable future. We have invested in some new video technology which should improve the experience both on Zoom and on the large screen display in the hall.

We ask that Zoom viewers pay a £3 attendance fee, as opposed to the £5 for attendance in the Hall. (Thanks to those who paid £5 for Zooming in to the last meeting.) I appreciate that this is a small amount and you may prefer to add a few up before going to the trouble of making a payment. It is entirely up to you, and to be honest I will be leaving payments on trust rather than keeping a record. I will of course acknowledge any payments made.

You can pay by cash at any meeting you do attend. You can pay by bank transfer – I will send you details if you don't have them. Or I think you can pay by mobile phone transfer using a SumUp (I will send you details on request)

Gallery additions

No gallery additions offered this week. Has anyone been busy turning?
