

Ryedale Woodturners

News Bulletin 7 - 12 February 2023

Hello all

Colwin Way video available

Martyn has edited the video of Colwin's demonstration to smooth out the little hiccups we had on the night. It is now available on YouTube at <https://youtu.be/uGIG9xL3Ek>. It is well worth watching through whether or not you watched on the night. It is packed with hints, advice and information. There are also some questions and answers during the interval which most members will not have heard – about 65 minutes through the video, for about 10 minutes.

Items for sale

Chainsaw: Husqvarna Model 137 E Series. 15" bar. It has just had a dealer service and hasn't been used since. About 10 years old, possibly more. It has only had light use and none for a while. The motor is the uprated one for the model. The new equivalent is approaching £500. Asking price £185. Contact John Whiteley if you are interested - 01947 810164 jatsleights@gmail.com. He will bring the saw to the next meeting unless anyone contacts him before.

Pillar drill and extractor fan. Colin Walker has 2 items for sale:

- 1) FERM pedestal drill £30
- 2) FERCELL dust/air blower. This is for wall/ceiling mounting with a 4" inlet and 6" outlet. Systems for dust gathering are available from Ferrell. (Air bags and plastic dust bags, etc.) This is an industrial unit and shifts massive amounts of air. -I wish I could fix it up in my shed but I'm a bit small for it. Anyway I'm looking for £50 for it.

Contact Colin if interested: 01723 890790 or colbirds@gmail.com
