

Ryedale Woodturners

News Bulletin 17 - 26 April 2026

Hello all

Hands On Evening 30th April 7 – 9.30 pm, Snainton Village Hall

Geoff tells me we now have 8 lathes anticipated to be running on this evening, all with people booked in for “tuition” – perhaps guidance would be a better description. We also have Peter Howells who will be showing anyone who is interested what is involved in 3-D printing.

The hall will be open from 6:15 pm for the assembly of lathes, with the intention of a 7:00 pm start, and 9:30 finish.

A reminder we are opening this evening up to all members to attend, have a chat, a cup of tea or coffee, a look at 3D printing, and a look at what is turning on the lathes. Guests are also welcome if they would like to get to know a little more about the club.

Items from the club shop can be available but will not be set out as normal – this evening is a slimmed down affair, probably something of a DIY approach if there are any items or pieces of wood required. There will not be a raffle. Remember we have a full meeting the following week, when the shop will be running as normal.

To cover rental and refreshment costs we are asking an admission fee of £3 for turners, £2 for people just dropping in, and of course demonstrators, organiser and tutors are free. Donations in a bucket by the door: there will not be anyone taking admission fees (so cash preferred please, exact amount will help).

Club Night Thursday 7 May – Dan Fearnley – cricket trophy

A reminder that our next “normal” club night is next week. Full details of arrangements will be in next Sunday’s bulletin.

Gallery

A few more photos from the sale.

And one from Martyn Weller, who writes:
The owners of the place we stayed in Anglesey had 11 hives and lived next door. They gave us some honey so I made them a dipper to say thanks.

[Good job Martyn wasn't staying in Llanfairpwllgwyngyllgogerychwyrndrobwlantysiliogogogoch, else a longer handle might be necessary!]
